HEI CLAIM

East Point College of Pharmacy has diligently cultivated a robust and inclusive working environment, aligning with university guidelines on Gender, Environment and Sustainability, Human Values, and Professional Ethics. Embracing a holistic approach, the curriculum integrates 32 courses on Human Values, emphasizing ethical responsibilities and societal roles, and 17 courses on Gender, providing insight into health systems for both genders. Initiatives such as Women Empowerment and Anti-Sexual Harassment Cells underscore the commitment to fostering a safe workplace. Additionally, mandatory courses on Environment and Sustainability, coupled with extension activities like NSS-led awareness programs, promote ecological consciousness. Professional Ethics are instilled through 29 designated courses, reinforcing regulatory knowledge within the pharmacy profession. The Institute's concerted efforts, including commemorative events and extension programs, further enhance moral and social awareness amongst staff and students.
