<b>Response</b>	<b>All the Above</b>

## HEI CLAIM

In the past five years, East Point College of Pharmacy has signed 31 Memorandums of Understanding (MoUs) with industrial companies, hospitals and enterprises to promote student and faculty involvement in initiatives like internships, industrial visits, and placement training programs and jobs. These agreements are operational and produce significant results. These memorandums of understanding helped to improve the facilities and give researchers and students a deeper understanding of the pharmaceutical sector as it exists today.
