HEI CLAIM

East Point College of Pharmacy aims for global acclaim in pharmaceutical education and research, committed to student development. It aligns with India's National Education Policy for educational transformation and prioritizes sustained growth through innovative practices. The college practices decentralized governance, encouraging stakeholder participation for inclusive policy-making. The administrative bodies of the institution are oriented towards providing the quality education to the stakeholders. The committees and the chairpersons strive to achieve the goals set to uplift the quality of students to ensure the best outcome. Its Institutional Perspective Plan outlines strategic goals, guiding the college towards fulfilling its vision and mission, thereby contributing to healthcare and societal development. IQAC have decentralized the powers in order to achieve a better hold and stability in the conduction and implementation of a good Continuous Internal Evaluation culture in the college. The structure of IQAC clearly shows the involvement of the stakeholders and external members in the decision making. The strategic and the perspective plan of the institution are guiding parts developed by IQAC. The strong IQAC team have upheld its value in incremental improvements of the institution.
