6.2.1: The Institutional Strategic /perspective plan is effectively deployed.

Our institute aims to achieve great heights with a strategic plan in tune with the vision and mission. The ultimate goal is to transform East Point College of Pharmacy into a well-acclaimed institute of academic excellence and research in Pharmacy domain. The Internal organization chart provides a glimpse overall functioning of the college. The functioning of the college is visible through the various policies of the Institute. The institute has a functioning Internal Quality Assurance Cell guide various committees which ensures the welfare and holistic development of the students. Regular meetings are being convened to frame the policies, budget allocation planning and developing of infrastructural facilities. The strategic plan at East Point College of Pharmacy is prepared by the administration and Principal with the consent of the Head of the departments. The strategies are prepared to take the consent of student's welfare and increasing the quality of education.

The Management at East Point College of Pharmacy aims to create Pharmacy graduates through quality education. An institution committed to innovation, creativity, and excellence in our teaching, learning, and research. Institution inspires integrity, teamwork, critical thinking, personal development, and ethics in our students and lays the foundation for lifelong learning.

The framed policies by the governing bodies are reviewed from time to time and action plans are prepared under the guidance of the Principal and Heads of the Departments to enrich students with quality education.

The institution has four different courses running in the College Diploma in Pharmacy (D. Pharm), Doctor of Pharmacy (Pharm D), Bachelor of Pharmacy (B. Pharm) and Master in Pharmacy. Institution policies and committees makes sure all the welfare of the students and faculty. Apart from providing top-notch education, our green campus and well-planned student life are solely dedicated to making students utilize the ambience to the fullest. Through our wide array of educational programmers and unique committees and Cells to foster student development activities, The Institution provides opportunities and experiences that build community, and help them grow personally and professionally.
