## HEI CLAIM

Over the last half-decade, our institution has demonstrated a steadfast commitment to nurturing the professional development of our teaching staff. We have actively provided financial assistance to facilitate their engagement in conferences, workshops, Faculty Development Programs (FDPs), and other initiatives aimed at enhancing knowledge and skills. This support has played a pivotal role in augmenting the expertise and capabilities of our educators, thereby significantly bolstering the quality of education imparted within our institution.

The proportion of teachers availing themselves of this financial backing over the stated period underscores our unwavering dedication to their advancement and ongoing education. By empowering our faculty to participate in such opportunities, we not only ensure they remain abreast of the latest advancements in their respective fields but also cultivate a culture of continuous learning and collaboration. This enables them to forge valuable connections with peers and experts, fostering an environment conducive to ongoing improvement and innovation.

The provided table delineates the staff members who have benefitted from our institution's support in actively participating in various knowledge-enriching programs.
