## HEI CLAIM

East Point College of Pharmacy primarily relies on tuition fees as its main revenue source. We meticulously allocate resources, optimizing funds for salaries, infrastructure, libraries, and various activities. Our focus is on promoting student potential through academic and co-curricular programs. Additionally, we support staff in their personal and professional goals while encouraging resource sharing with industry experts, academicians, and alumni.

To ensure transparency and a smooth operation, we undergo annual external financial audits conducted by Mr Vinaya Simha. These audits have consistently resulted in an objection-free process. Attached here are the details of the external audits for all five financial years.
