It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities.
Response	All the Below

HEI CLAIM

The Internal Quality Assurance Cell (IQAC) is crucial for embedding quality assurance within educational institutions. At East Point College of Pharmacy, IQAC systematically monitors and enhances educational quality by evaluating the teaching-learning process, methodologies, and outcomes. IQAC ensures alignment with institutional goals and quality standards, identifies improvement areas, and documents progress. Additionally, it fosters a quality culture among stakeholders, promoting participation and responsibility in quality enhancement. IQAC's structured approach to quality assurance is vital for the institution's ongoing growth and excellence in education.
