## HEI CLAIM

The All India Survey on Higher Education (AISHE) is a vital initiative by the Ministry of Education, Government of India, aimed at providing comprehensive data on the status of higher education in the country. The All India Survey on Higher Education (AISHE) is a critical tool that supports the development and improvement of higher education in India. It provides essential data that informs policy-making, resource allocation, and strategic planning, ultimately contributing to the enhancement of educational quality and accessibility across the country.
