

IQAC QUALITY POLICY

At East Point College of Pharmacy, we are committed to ensuring and enhancing the quality of education, administrative processes, and overall institutional excellence—our IQAC endeavours to create a learner-centric environment that fosters continuous improvement and innovation.

Here are the key elements of our Quality Policy:

1. Development of Quality Benchmarks:

- We establish clear benchmarks for academic and administrative activities, ensuring alignment with national and global standards.
- These benchmarks guide our efforts toward quality enhancement.

2. Learner-Centric Environment:

- We create an environment conducive to quality education.
- Faculty members are encouraged to adopt modern knowledge and technology for effective teaching and learning.

3. Feedback and Stakeholder Engagement:

- We actively collect and analyze feedback from students, faculty, and other stakeholders.
- Dissemination of quality-related information ensures transparency and accountability.

4. Capacity Building and Best Practices:

- We organize workshops, seminars, and quality circles to promote best practices.
- Documentation of programs and activities contributes to continuous improvement.

5. Institutional Database and Audit:

- We maintain an institutional database through Management Information Systems (MIS).
- Regular academic and administrative audits help us identify areas for improvement.

Our IQAC strives to uphold these principles, ensuring that East Point College of Pharmacy remains a centre of excellence in pharmaceutical education.
