REPORT

East point College of Pharmacy is the College which got embedded with the inherent closed loop system and corrects itself through the feedback / surveys. This is the continuous process practiced almost since the inception of the institute. Over the years the process has been refined and it is online for the last 5-6 years. Students Satisfaction Survey (SSS) is one among these surveys. This survey includes the questionnaire recommended by NAAC.

The survey is conducted by the Internal Quality Assessment Cell (IQAC) with support of Heads of all the departments. The Google form containing questionnaires prescribed by NAAC on different attributes of the teaching learning process was prepared and sent to all the students by their respective departments through mentors.

The responses obtained on these dimensions are compiled into a spreadsheet, analysed and logical conclusions are drawn there from it. The SSS report is prepared by IQAC and shared with all the heads of the departments and Principal

1. How much syllabus was covered in the class

145 responses

2. How well did the the teachers prepare for the classes

145 responses

3. How well were the teachers able to communicate

145 responses

4. The teachers approach to teaching can be best described as

145 responses

5. Fairness of internal valuation process by the teachers

145 responses

6. Was your academic performance discussed with you ?

145 responses

143 responses

OBSERVATIONS:

1. Majority of the students said teachers completed the syllabus above 90%.
2. More than half of the students were satisfied with the communication skills of the teachers.
3. Students are satisfied with the assessment by the teachers.
4. The overall learning experience was good. The teachers were quite helpful throughout the process.
5. Teacher's made so many efforts to improve our skills or knowledge. Overall learning process is good.
6. There were effective learning methods.
7. Teachers are able to identify our academic and personal problems and help us to overcome them.

SUGGESTIONS:

1. The improvement in the video conference call has to be done like some more animation related things to be introduced since it's online and students don't get to know much about the subject.
2. Digital Learning should be encouraged for students.
3. Students should get technical reviews from industrial experts during seminars, FDP and workshops.
4. Placement cell can give training to students regarding personality development during placements
5. Mentor Mentee counselling should be done once in a week to know the problems of students.
6. Good software's to be updated for student learning process.
7. More emphasis should be given on practical learning.
8. Upgrading practicals and workshops to ongoing industrial trends.
9. Resume preparation, company specific training should be given, technical interview preparation should be added, coding interview training should be covered.
10. Staffs should make much more efforts to improve activities in Skill Development.
